Statement by the External Consultants on the Corporate Governance Evaluation of Transnational Corporation Plc ("the Company") for the year ended December 31, 2024.

The Board of Directors of Transnational Corporation Plc. ("Transcorp Plc" or the "Company") engaged Angela Aneke & Co. Limited to perform a Corporate Governance evaluation for the year ended December 31, 2024, in line with the requirements of Principle 15 of the Financial Reporting Council's Nigerian Code of Corporate Governance (NCCG). The agreed scope of services for the evaluation exercise was specified in our letter of engagement.

The criteria for our review and report are benchmarked against the 28 principles in the NCCG, Securities and Exchange Commission's Corporate Governance Guidelines (SCGG), the Company's corporate governance framework, as well as global best practice.

Our methodology included a review of documents provided by the Company, research on global best practice, interviews, and questionnaires, including an online self and peer assessment by members of the Board. Our detailed report has been submitted to the Board of Directors for their adoption and further action.

Transcorp Plc. has a well-established system of corporate governance underpinned by a Board Governance Charter as well as various policies and charters that guide the governance culture of the Company. The mandates and terms of reference of the Board Committees are clearly defined in the Company's Board Governance Charter and they address the effective monitoring of financial performance, strategy, governance, remuneration, risk management, internal audit and controls, regulatory compliance, and information technology governance. Policies that address risk management, internal control, code of conduct, business ethics, shareholder engagement and disclosures are well institutionalized at Transcorp Plc.

A sound framework for managing risk and an effective internal control is in place at Transcorp Plc. The risks the company faces, and risk mitigating strategies are effectively monitored and reported to the Board at its quarterly meetings. The internal control function also provides assurance to the Board and its Committees on its effectiveness at its quarterly meetings. An effective whistleblowing framework for reporting illegal and unethical behaviour is also in place. The Company remained committed to sustainability and acted as a responsible citizen by embarking on several corporate social responsibility activities in 2024.

On the basis of our work, we conclude that corporate governance practices at Transcorp Plc are strong, advanced and are in line with global best practice. The corporate governance framework of the Company has widely applied the 28 principles of the NCCG.

Yours faithfully,
